3.14: Celebrate Pi(e) Day with The Student Union

*Community Center Invites Ozaukee County Students and Families
for Open House and Pizza Pie as Part of March Frozen Food Month*

CEDARBURG, WIS. – March 7, 2019 – The Student Union (TSU) in Cedarburg is holding an Open House to celebrate Pi(e) Day – the international day that commemorates both the mathematical constant and the birthday of Albert Einstein – on 3.14 (March 14).

Students from Ozaukee County schools are invited to visit The Student Union, located at W62 N542 Washington Ave. in Cedarburg, from **3 to 5:30 p.m. on Thursday, March 14**. Families of the students are also welcome to attend and visit with the staff to learn more about TSU's mission and what it offers to the community.

In a fun tie-in to Pi(e) Day, Palermo's Pizza – a stewardship partner of The Student Union – will supply Pizza for the first 314 people who attend the Open House. As part of Palermo's month-long celebration of March Frozen Food Month, the Milwaukee frozen Pizza manufacturer will bake the pies on its corporate food truck, which will be parked in the lot behind the TSU facility.

The Student Union offers middle and high school students a safe place to experience community and discover their place in the world. In addition to providing a relaxed and positive environment, the community center provides tutoring, events that focus on local and global issues, community service opportunities, training and seminars, and more. An on-site cafe offers coffee, tea, bakery and pizza.

"The Student Union is here to serve the next generation in Ozaukee County," says Sarah Rennieke, Executive Director. "We hope students and their families will take this opportunity to come out on Pi(e) Day and get to know more about who we are and how they can get connected."
